August/ September Newsletter

You may notice there isn't a trip scheduled for September. That's because I won't be around. I'll be enjoying an Alaskan cruise during the first two weeks of the month! When the new schedule for The New Theatre came out, I also noticed that our shows had been moved to the beginning of each month. Rather than schedule two trips so close together, I decided it would be best to take a short break in September.

So do not contact me during the first two weeks in September because I will not be able to answer. I will return September 16th and will pick up correspondence at that time.

We'll be back on the road before you know it! Our next adventure will be the always-popular Mystery Trip on October 3rd. I can't wait to see everyone then and share another fun day of travel together!

As I continue learning this new role, I've discovered one thing very quickly—I occasionally make mistakes. There have been times when I've recorded the wrong pickup location, misspelled a traveler's name, or even accidentally missed adding someone to a trip.

To help make sure everything is correct, I encourage you to call, text, or email me to confirm that you're on the list for your trip. **I will also send a trip reminder approximately 10 to 14 days before we travel. If you don't receive a reminder, please contact me, as it may mean I don't have you registered.**

This newsletter is also posted on the labettebank.com website at labettebank.com/goldenadventureclub. At the top of the homepage click on “Personal” scroll down to the very bottom and find the Golden Adventure Club icon, click on it, scroll down and you will find the latest newsletter.

Thank you for your patience and understanding as I learn the ins and outs of coordinating our trips. My goal is to make every adventure enjoyable and well organized, and I truly appreciate your support as I continue to improve. I'm looking forward to many great trips together!

I look forward to traveling with you!
